francesvramos@gmail.com

Self motivated Stage Manager. Has been able to supervise a cast from 2 actors to 30 actors. Works well under pressure and creates a good environment for both the crew and cast. Right now she is still learning about stage management but is willing to be guided by others and learn from new experiences. Fast thinker, pro-active and very creative during the rehearsal process. Is also finding the necessary tools to be a good stage manager for future productions.

Stage Management

Made in Puerto Rico	ASM	Puerto Rico Traveling Theater
