

The Los Banos Tiger Trap Team is a co-ed program that serves thirteen cities, four counties of youth athletes, grades 4-12, teaching responsible gun safety and gun ownership, in the shooting sports of trap and skeet. Our facility accommodates athletes with and without disabilities. Encouraging all youth athletes to enjoy the sports of trap and skeet. We are actively growing our program. Athletes travel as far as Nevada, Washington and Illinois, to compete under the CYSSA (California Youth Sports Shooting Association), AIM (Academics Integrity Marksmanship), ATA (Amateur Trapshooting Association) and SCTP (Scholastic Clay Target Program).

The Los Banos Tiger Trap Team has produced youth athletes who have taken local, state, and national titles along with qualifying for college scholarship in trap. We have athletes competing for a position on the USA Olympic team. Our program has also produced Junior NRA Certified shotgun coaches.

We are a non-profit 501(c)3 program and rely solely on any and all donations in which to operate our yearly budget which is expanding at a rapid rate as membership increases. We are not affiliated with any high school and do not receive any state money.

We appreciate you taking your valuable time to read this letter. We are requesting one pallet of ammo annually on a continuous basis to help offset the cost for our athletes. This donation/grant is being matched by Quail Unlimited. Los Banos Tiger Trap team also matches donations/grants with ammo and targets. Any donation you can lend is greatly appreciated
