

Universal Interface

8 Channel Universal Interface Actuator

PC-KNX/IO8

- Support lighting control
- Support curtains/ project curtains on and off
- Support long /short/reserve push function
- Support relative and absolute dimming
- Support fixed data into sending
- Support scene control

Bus Voltage :	21 – 30V DC
Bus Current :	≤12mA
Bus Power :	≤ 360mW
Supply voltage :	30V DC
Size :	46mm x 46mm x 12mm
