

Dear Greg Storer:

Congratulations! Your 2-D Art and Design course is now authorized to use the AP<sup>®</sup> designation for the 2026 - 2027 academic year at Ohio Home School.

### What Does Course Authorization Mean?

Course authorization is the official recognition from the College Board that your course meets college and university standards for AP 2-D Art and Design. This authorization grants you permission to use the "AP" designation on your students' transcripts for the authorized course.

This authorization to use the AP designation is specific to the course identified in this notification and does not constitute an endorsement, accreditation, or certification of the course provider.

Thank you for your continued participation in the AP Course Audit.

Sincerely,

Trevor Packer  
Senior Vice President  
Advanced Placement Program
