The Tax Levy meeting agenda was accepted as presented by Chairman Kurtovich. He reported that the intention of the Commission was to have a tax levy imposed for 2020 and he recited the notice to impose a tax for 2020 for the record. The Commissioners recommended the same rate of .1200 or One Million Dollars for the 2020 tax year. Chairman Kurtovich requested any discussion from the Commission board concerning the Notice to Tax and/or the Tax Levy hearing now being held.

With no objections or comments upon request, the Chairman asked for approval of ordinance #20-2 establishing 0.12% as the tax rate for tax year 2020. Commissioner Nice motioned to accept the tax levy as presented, Vice Chairman Koczwara second the motion. All commissioners present approved the motion, and the Tax Levy 2020 was approved.

Chairman Kurtovich then asked for a motion to adjourn the hearing. Commissioner Nice made a motion to adjourn the Tax Levy meeting and Commissioner Tully second the motion. All Commissioners present voted to adjourn the Tax Levy meeting.

Respectfully Submitted,

John Kurtovich
Chairman, Governing Commission
