Base price of custom tack is an estimate only and may increase slightly due to rising costs; any additions will add to base price and deposit. Please allow 6-8 weeks for completion. Completion times are not guaranteed due to the industry-wide raw material shortages. Some orders may finish sooner, depending on complexity of design; some may take longer. Rush orders may incur an additional fee and are not guaranteed. Custom leather colors, silver, etc. will be charged at cost. Please ask ANY questions you may have beforehand; some changes are not possible once orders are in process. Shipping and Idaho state sales tax are additional.
