Regarding Medicare

Quality healthcare takes time, and we are committed to ensuring your GP can give you the high-quality care and attention you deserve.

As Medicare rebates do not fully cover consultation costs, our clinic will continue to operate as a non-bulk billing practice.

If you have any questions or would like more information, our reception staff are happy to help.

A Shift in Saturdays

As of January 10th, 2026, we will be moving to alternative Saturdays.

Please note Doctors Charlotte Jones, Leo Whitehead & Lucy Spurrell will no longer be offering Saturday consultations.

The Bloody Long Walk

The results are in!

A huge thank-you to everyone who donated and took part in the walkathon. We placed 13th out of 211 teams and raised an amazing **\$2,294!**

A phenomenal effort in support of people living with Mitochondrial Disease!

Our Dedicated Walking Team!

Reminder

All patients aged 65 and over are eligible for their Shingrix vaccination.

Please enquire with the reception staff if you are interested.

Notices

Sun Safety!

As we all know, Australia has high UV levels year-round. Use SPF 30+ sunscreen, wear a hat and protective clothing, and avoid peak UV times when possible.

Early detection saves lives, speak with your GP about regular skin checks.

New Patients!

We are still accepting new patients, however, Dr Adam Kowalczyk and Dr Leo Whitehead have currently closed their books to manage their workload and ensure quality care for existing patients.

We are pleased to have other doctors available who are accepting new patients.
