

FOR IMMEDIATE RELEASE

Columbiana Street Fair

July 13, 2020

Cancellation of the 134th Annual Columbiana Street Fair:

On Monday night the trustees of American Legion Post #290 who put on the annual street fair voted to cancel the event due to the uncertainty of COVID-19. The decision was not made easy, much thought and discussion went into this. The trustees and fair committee are not just looking out for all the wonderful people who enjoy the Columbiana Street Fair each year, but for all the volunteers that help put on this great event each year.

The health and welfare of everyone is our top priority and we did not feel that we could provide the safe environment that the public, volunteers, concessionaires, vendors, and ride company have come to know. Each and every year we strive to provide the best experience possible for everyone and know that we will be able to do that next year.

We know and understand that our decision is not what everyone would have wanted. The decision was unanimous by both the Street Fair committee and the trustees, we weighted all of our options in making this decision. As always the planning is ongoing for the 2021 Columbiana Street Fair that will take place on Sept 9th, 10th, & 11th. You can check the street fair website for more information. www.columbianastreetfair.com

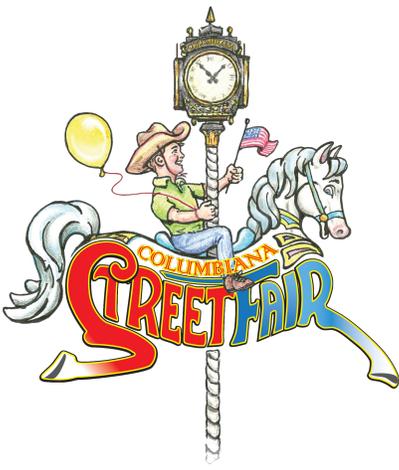

Sincerely,

Ken Allcorn

Commander American Legion Post #290

Jacob Sevek

Columbiana Street Fair Manager
