

# 2026 Nutcracker Newsletter

Please make sure you are signed up for text alerts. This is how we get out information that we want to make sure everyone sees in a timely manner. You have to go into Akada and select the option yourself, we cannot do it from our end. Also, you might want to save the phone number as a contact since it is just some random non-local phone number. .

**Please remind your dancer that it should be silent during rehearsals. They can talk with their friends between rehearsals, but when they are in the big studio, there should be no talking. \*If you have a little mouse, little flower, or chinese dancer, PLEASE make sure you stress this with your dancer. Viktor was frustrated last week during those roles. We understand that they are young, but we really need quiet and focus during rehearsal.**

Make sure you check the schedule for the next two weeks, it has changed. (Party Scene parents, I moved Party Scene for you :))
