- All lead liner's handler must make an honest attempt to stay with or behind the horse's head in anyone class. (10 second penalty)
- The Lead Liner division cannot exceed a walk or control trot. (One warning and then disqualified)
- A rider who is 5 or under must have a spotter and that spotter must be 13 or over.
- A Lead Liner's spotter must have a hand on the rider who is 5 and under. (Disqualified)
- All rider/horse must enter in or depart at a walk.
- All riders must be alert, cognizant, and in self-control of his/her body
- Any Lead liner handler must be at least 13 and over.
- Enter and depart through the cones to avoid disqualifications.
- All age groups will have the same points and disqualifications.
- Anyone under 18 must wear a helmet whether a rider, handler, or spotter.

Bat Race	Rider rides down to designated area, dismounts, hands the horse to a horse holder, receives a bat, puts one's head to ban with the bat on the ground, spins the number of times according to age group, remounts the horse, and runs back to the finish line. (12 and under—3 spins; 13 to 17—5 spins, and 18 and over—8 spins)
Balloon Race	Rider picks up a balloon at the gate, rides down to the designated area, hands the horse to the horse holder, sets on the balloon until it pops, remounts his/her horse, and rides to the finish line.
Big "T" Race	The course is made up of Markers* where the horse and rider form a "T." For each pole or barrel that is knocked over, a five (5) second penalty will be added. If off course, the rider will be disqualified.
Boot Lace or Christmas tree	The rider/horse goes through the first set of poles, turns left and goes through the second set of poles on the left, crosses over to the third set of poles, goes around the barrel and then goes to the fourth set of poles on the right, crosses over to the fifth set of poles, and then races through the first set of poles to the finish line. A five (5) second penalty for each knocked down marker. If off course, the rider will be disqualified.
Buddy Barrels	Rider rides down to the end of the arena, goes around the barrel, and picks up his buddy who is standing on top of the barrel. A five (5) second penalty will be added if a barrel is knocked over. Disqualified if one or both of riders fall off.
Candy Cane Pole Bending	Pole bending is a timed event that features a horse and one mounted rider, running a weaving or serpentine path around six poles arranged in a line. Knocking over a pole will result in a five (5) second penalty for each knocked down pole. Failure to follow the course shall result in a disqualification.
Candy Cane Race	Rider rides down to designated area, dismounts, hands the horse to a horse holder, receives a candy cane, puts one's head to top of candy cane on the ground, spins the number of times according to age group, remounts the horse, and runs back to the finish line. (12 and under—3 spins; 13 to 17—5 spins, and 18 and over—8 spins)
Carrot Race	The fun class will require the rider to get their horse to "follow them" to the finish line by using a carrot! The rider must go around the barrel before he/she dismounts to get the carrot. Also, the rider cannot touch his/her horse once the carrot is in her/his hand and must cross the finish line at approximately at the same time with the horse. The rider will be disqualified as being off course if he/she does not go around the barrel, touches the horse after the carrot is in hand, or if the horse goes across the finish line before rider.

***Markers** may consists of poles, barrels, or cones.

Cat's Cradle	May start left or right of first barrel. Proceed to the outside of the second barrel, go around the third barrel, proceed to the outside of the fourth barrel and exit on the opposite side of barrel one. A five (5) second penalty for each knocked down barrel. Failure to follow the course shall result in a disqualification
Chip Race	The rider puts two pringles in his/her mouth to form a duck beak. The rider and horse goes around a barrel at the end of the ring and then goes across the finish line. A five (5) second penalty for knocked down barrel. Failure to have the pringles in your mouth when crossing the finish line and to follow the course shall result in a disqualification.
Christmas Tree Barrels	Three Christmas trees make up the course. You may start either to the right or left and run a designated cloverleaf course. Knocking over a tree results in a five (5) second penalty for each knocked down tree. Failure to follow the course shall result in a disqualification.
Cloverleaf Barrels	Three barrels make up the course. You may start either to the right or left and run a designated cloverleaf course. Knocking over a barrel results in a five (5) second penalty for each knocked down barrel. Failure to follow the course shall result in a disqualification.
Costume Parade	Rider and horse combo will show off their creative costumes!!!
Double Bow	May start left or right of the center barrel. Horse and rider team weave three barrels left to right then right to left. Exiting on the opposite side of the center barrel from entrance. A five (5) second penalty will be assessed for each knocked down barrel. Disqualification occurs if rider/horse is off course.
Egg n' Spoon	The rider will be holding an egg on a spoon. One's thumb must be behind the black mark on the spoon. The rider may be asked to walk, trot, canter, back up, etc. A rider is disqualified as he/she losses his/her egg. The last 6 riders will be placed. The rider will be disqualified if he/she holds on the egg.
Figure Eight	Riders cross start line; ride down side of course (side optional) to barrel B; turn barrel B; ride to barrel A; turn barrel A (opposite direction of A); and ride across finish line, having ridden a figure eight pattern. Knocking over a barrel results in a five (5) second penalty for each knocked down barrel. Failure to follow the course shall result in a disqualification.
Finder's Keeper	The rider races to the end of the arena and dismounts. A bucket is at the end and the rider must find an item hidden in it. The rider then mounts his/her horse and rides to the finish line. The fastest rider wins.
Flag Race	Two buckets on barrels make up the course. The rider shall run to the first barrel and picks up the flag, then the rider will go to the far barrel placing the flag in the bucket, turn around the outside of the barrel while picking up the second flag, then sprinting to the first barrel and place the second flag into the bucket. Missing the bucket or the flag not staying in the bucket will result in disqualifications. The rider will also be disqualified for knocking over a barrel.
Horse-in-a-Box	Rider will ride along the rail until reaching designated box area, remains in the box for 5 seconds, and then proceeds around rail to the finish line. If the horse steps out of the box, time will restart. You have 3 chances before you are disqualified.
Hour Glass	You and your horse go through a pattern that forms an hourglass. The fastest time wins. Knocking over a barrel results in a five (5) second penalty for each knocked down barrel. Failure to follow the course shall result in a disqualification.
Jackpot Barrels	NCRC will pick a pattern for this class. The jackpot for each division will be split between the fastest rider and the scholarship funds

***Markers** may consists of poles, barrels, or cones.

Key Hole Race	A keyhole shaped is drawn in the center at the end of the arena. You are to take your horse into the keyhole, turn around and go the finish line. The fastest time win. Stepping out or on the keyhole shall result in a disqualification.
Magazine Race	The rider is given a page number from a magazine that is at the far barrel. The rider goes around the barrel and dismounts off his/her horse and tears out the page number; then gets back on the horse and goes to the finish line. The fastest time wins. Disqualified if the rider does not go around the barrel.
Marco Polo	The mounted rider is blind folded. A ring worker will be at the end of the ring. As the rider goes, he/she yells “Marco” and the ring work will respond “Polo.” When the rider/horse is within arm’s length of the ring worker, the rider is allowed to remove the blindfold and race to the finish line.
Mint Tulip	The rider will receive a cup of water at a certain level in the cup. The rider will be asked to walk, trot, canter, reverse, etc. around the arena. The last t riders with the most water left in the cup will be placed.
Musical Cones	Rider will be going around the ring where cones are placed around the fence. When the music stops, the rider must find a ribboncone and stand in front of it. The rider without a spot will be disqualified. There will be no cantering for Lead Liners or 12 and under. If a rider canters in Lead line or 12 and under, he/she will be disqualified. The last 6 riders will be placed.
Musical Ribbons	Rider will be going around the ring where ribbons are attached to the fence. When the music stops, the rider must find a ribbon and stand in front of it. The rider without a spot will be disqualified. There will be no cantering for Lead Liners or 12 and under. If a rider canters in Lead line or 12 and under, he/she will be disqualified. The last 6 riders will be placed.
Obstacle Course	This will be a standard trail class with simple obstacles to be performed while mounted. A rider must try at least 3 attempts for each obstacle. A five (5) second plenty will be given for not completing an obstacle. You will be disqualified if you do not try each obstacle.
Pole Bending	Pole bending is a timed event that features a horse and one mounted rider, running a weaving or serpentine path around six poles arranged in a line. Knocking over a pole will result in a five (5) second penalty for each knocked down pole. Failure to follow the course shall result in a disqualification.
