Logging back in takes you to the **Home screen** where you will spend most of your time in the app.

From here you can reach the **Schedule** with your **bookings**.

And you can **start your charging sessions**.

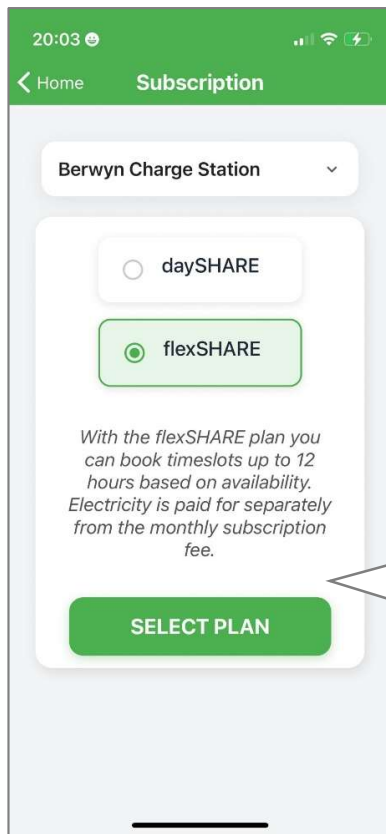

But before you can start charging you need to add a credit card under **Payment Method** in the **Menu**.

Then you must buy a plan under **Subscription**.

After that you are ready to enter a **booking** under **Schedule**

A Subscription can have different price components defined by the **Station Manager** who owns/manages the charging station.

Price example

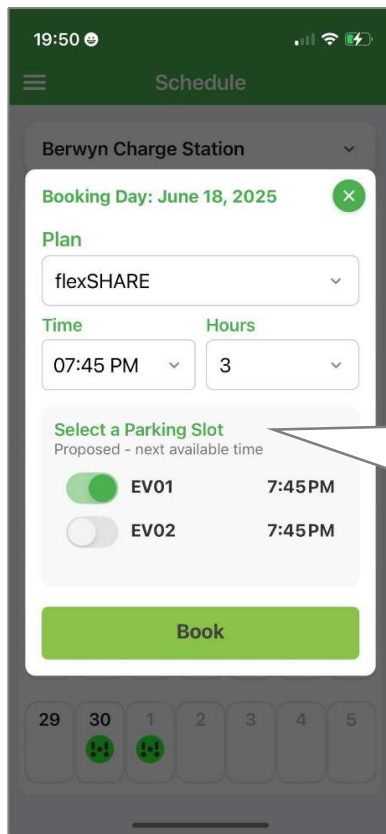

\$5.00/month
\$0.45/kWh
\$2.50/hour

A **Green logo** indicates an **existing booking**.

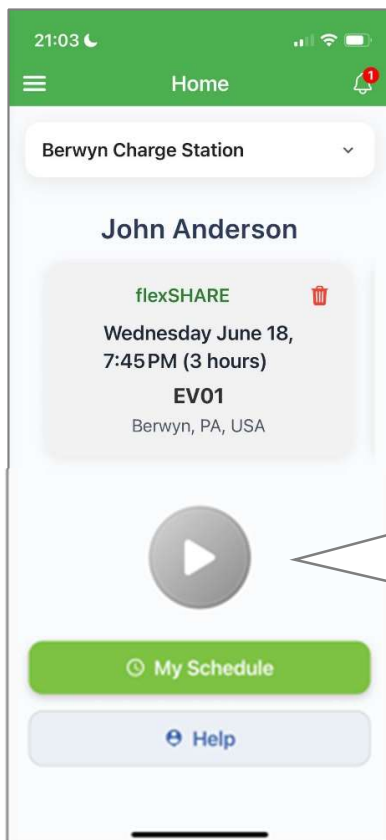

To make a new booking, **click on the desired date**.
