

## eluTAG Partner

A unique  
100% turnkey  
EV charging  
solution

**smartSHARE**  
transforms any basic  
charge box into a  
**commercial grade**  
EV solution

**Substantial  
revenue** combined  
with **low costs**  
is an easy sell

The software  
installation is  
**seamless**, 100%  
managed by the  
eluTAG team

## A unique system for Booking & Payment

Chargers with **smartSHARE** can service 3 times more drivers

1. **Present a turnkey solution for your customer**
  - 67% lower investment compared to standard chargers
  - Optimized power grid exposure, only using 2x48A
2. **Rely on the eluTAG team**
  - System installation, configuration, testing & training
  - 24/7 support of your project
3. **Enjoy a recurring Revenue Stream**
  - Service agreement with Building manager
  - Future expansion of site charging infrastructure
