Tours

Self-Guided Tours

The Museum is organized to be self-guided. QR codes and information booklets attached to exhibits will give more detailed information about our collection.

Guided Tours

The Museum offers guided tours led by a physician volunteer docent. Tours must be booked in advance on our website.

School Tours

School tours are available for grades 4th and up. School tours must book their tour in advance by calling 916-452-2671. Worksheets are available for students to explore the Museum. All school tours will be led by a physician volunteer docent.

Admission

Admission to the Museum is free to the public. The Museum is run solely by physician volunteers and relies on grant funding and donations from the community. Please consider making a tax-deductible donation to help us continue our mission of education and preservation.
