WELCOME CHARLIE!

We would like you to meet the newest addition to our herd. We are so excited to welcome him to our family. Charlie is an 18 year old black Tennessee Walker. He was originally rescued from an auction years ago by a kind woman who loved and cared for him. The wonderful treatment he received is apparent by his sweet and gentle nature. Charlie is fun and quirky and he loves kids. He is going to be a wonderful addition to our Program and the Participants are going to love him as much as we already do. Welcome Charlie!

THANKS

Special thanks to those who supported us for our Live Nativity Play. We really lucked out on the weather and we got a wonderful turnout in addition to generous donations that will be used to get our herd through the winter.

We had a wonderful Christmas party to celebrate our dedicated volunteers, our successful and fun 2023 Program and the love and comradery we all share. We had a potluck luncheon with gifts for our volunteers and a super fun white elephant gift exchange. We presented Tammy with a gift in appreciation of all of her hard work and her integral part in helping us grow and succeed! Thank you Tammy, we love you!
