

# Outside Up Session Pass Details & Instructions

## **Full-Time** (most Tuesdays and Thursdays, with Mondays optional)

1. Purchase your full Sep/Oct '24 Session pass. You may begin using it immediately for any class.
2. Register for the first class that takes place 9/5. This will auto-enroll you in all 17 classes!
3. Cancel any instances you know you will be unable to attend. You may also move any reservation to a different class (6am, 9:30, Sunrise Yoga or Mats Monday).
4. After 17 uses of your Session Pass, you may purchase additional visits for just \$5. See "Session Refill Pass" in Punchpass. All passes expire 10/31/24.

## **Half-Time** (generally Tuesday OR Thursday only, but still part of the crew)

1. Purchase your Half-Time Session pass. You may begin using it immediately for **any** class.
2. Email [coach@outsideupfitness.com](mailto:coach@outsideupfitness.com) to be pre-registered for either Tuesday or Thursday of the session, OR, wait until 9/4/24 and you will be able to register yourself for individual visits.
3. Cancel any instances you know you will be unable to attend. You may also move any reservation to a different class (6am, 9:30, Sunrise Yoga or Mats Monday\*).
4. After 9 uses of your Half Session Pass, you may purchase additional drop-in classes. All classes have a drop-in fee of \$16, however Monday is just \$11.

\*If you know you'll be attending Mondays as well as once a week Bootcamp or Fitcamp, you have a pricing advantage in purchasing Monday drop-ins for those visits rather than using your session pass. Monday drop-ins are good for 60 days. Your Session Pass expires 10/31/24.

## **Occasional**

1. Purchase drop-in passes for any class.

## **Current Active Passes:**

If you have passes remaining on a 5, 10, 15 or unlimited pass, you have three options:

1. Continue to use them as you have been. When they run out, refill with drop-in passes until the end of the session.
2. Email coach@outsideupfitness.com to request a credit to your Stripe account for the remaining value of your pass. Once the credit has been applied, you may purchase a Session Pass.
3. Hang on to your remaining punches for use when your Session Pass has been used up. You can use them rather than purchasing drop-ins.

## FAQ

From a member:

*“Question on fall classes... If I sign up for either the bootcamp or fitcamp session, I assume it’s ok to mix and match times? I will mostly be doing 6:00 Tuesdays and 9:30 Thursdays starting in October. Also... for Mondays, do you just expect everyone to do one time drop in each week? Thanks!”*

My response:

*“Yes 100% (to the mix and match question). For Mondays you can use your membership to the session. It’s basically a 17-pass punch card. If you use all your punches you can “fill up” for \$5/class. The \$11 Monday pass is for half-times and drop-inners. Based on LY attendance, this model keeps the average cost for two months the same for everyone, but benefits people who come more.”*
