

Volunteer Responsibilities

The CPSC is a volunteer organization that depends heavily on its members to function. Once your child is placed on a team we look forward to working with you to increase the benefits to all club members.

Every parent is a club member with volunteer responsibilities. Without your help we cannot continue to offer the exceptional soccer program, which the Clifton Park Soccer Club provides.

During the year each parent will be required to volunteer 2 hours of your time to help with various activities necessary to keep the program functioning at its best. These 2 hours **DO NOT COUNT TOWARDS YOUR TOURNAMENT HOURS**.

For example: in the spring the fields need to be lined, nets put back on the goals, raking and general clean-up needs to be done. In the fall, it's the opposite, everything needs to come down and be put away for the winter. There are several other things that need to be maintained during the entire season and that is why your help is needed.

The CPSC hosts two tournaments each year. U 8 – U 12 over Columbus Day weekend and U 14 – U 19 over Mother's Day Weekend. Parents may be required to volunteer for either or both tournaments without regard to your child (children's) participation in that tournament. (i.e.If you have a U 8-U12 player you will be volunteering Mother's Day weekend, if you have a U 14- U 19 player you will be volunteering Columbus Day weekend.) All Clifton Park travel teams compete.

A tournament of this size and quality requires not only extraordinary planning and coordination, but also a strong structure of volunteer support. Volunteers are needed from late winter, i.e. Advertising through take-down/cleanup at the end of the tournaments.

Each travel team parent, that means **BOTH MOM AND DAD**, are required to volunteer a minimum of 2 hours for **EACH CHILD** in the club, in support of the tournament.

For example: if you have 2 children playing in the club then Mom must do 2 hours for each child and Dad 2 hours for each child. Total hours – 4 for Mom and 4 for Dad. There are several ways to put in those hours and they do not necessarily have to be done during the tournament. There are several jobs that need to be done during the week prior to the tournament.

In addition, if foreign teams participate you may be asked to host some of the visiting players.
