

Clifton Park Soccer Club Volunteer Commitment

The Clifton Park Soccer Club (CPSC) is a volunteer-driven organization that relies on the active participation of its members. Once your child is placed on a team, we look forward to partnering with you to ensure all players and families benefit from the exceptional soccer program CPSC provides.

General Volunteer Requirement

Every parent/guardian is a member of the Club and is expected to contribute to its continued success. To maintain the quality of our programs, each family is required to volunteer a minimum of two (2) hours per season.

Volunteer opportunities vary throughout the year and may include:

- Spring season preparation: installing nets, raking, and general field cleanup.
- Fall season close-down: removing nets and equipment, and preparing fields for winter.
- Ongoing needs: assisting with maintenance and operational tasks that arise during the season.

The Club may also host or participate in community events. These activities often require volunteer support for setup, breakdown, and cleanup. Sign-ups will be made available in advance to allow families to select times and responsibilities.

Your commitment ensures that the Clifton Park Soccer Club can continue to provide a well-organized, high-quality program for our players and families. We thank you in advance for your time, effort, and support.
