

My name is Shauna Giles and I have had my hands in hair for over 10 years!

I am a natural texture specialist that provides personalized, health-focused haircuts, treatments and styling for ALL hair types. I only cut hair dry, in it's natural state.

My goal is for you to get the best haircut experience possible.

It is an absolute requirement that you come to your appointment with super-clean, naturally air-dried hair, with no product, no clips or ponytails, twist-outs or braids.

This is not to disturb the natural texture and fall of your hair.

My full service hair cut includes a hair and scalp analysis, dry-cut, wash, necessary treatments and a styling session.

I will do a thorough consultation with you to discuss your lifestyle and hair goals (short and long term) and also address any hair or scalp concerns.

A FULL SERVICE HAIRCUT is required when:

- *it's been a long time since your last cut with us (6+months)
- *you are changing up your style, or cutting more than 2" off
 - *your last haircut was not done by me
- *your hair has been compromised by heat or chemical damage

A DRY CUT is a short but sweet visit:

- *if you need "just a trim" (2" or less) to maintain your style, and keep the health of your ends.

This is a dry-cut only, and does not include wash or styling.

My services and pricing are based on hair length and natural texture.

Please use the following guide to help you determine what service you need to book for your length and texture.

Please take a few minutes to carefully read all of the information in this guide and be sure to review the salon policies.

Please email me anytime at shaunagileshairandmakeup@gmail.com if you have any questions at all. I am always available and happy to help you!

By making an appointment with me, you have agreed that you have reviewed and understood all salon policies and information.

LATENESS

I purposely plan and coordinate my schedule in order to be on time for my guests. I deeply value my guests time and ask for my time to be respected as well.

When you show up late, I risk running behind on other guests. If you are more than 10 minutes late, you will be asked to reschedule with a late fee of 50% of the service missed.

Thank you for respecting everyone's time.

24 HOUR CANCELLATIONS

I will email and/or text a reminder about your upcoming appointment, which makes it easy to cancel if it suddenly conflicts with your schedule.

Cancellations made within 24 hours of the appointment will be charged 50% of the service in order to reschedule any new appointments.

NO SHOWS

I understand things happen, but if you simply do not show up to your appointment or cancel within one hour of your service, I will require 100% of the total service price to reschedule any appointments in the future.

No show twice, and you will be blocked from making any appointments in the future.

I hope my salon service guide helps you determine what service you need.
