**CROSS-COUNTRY COVID RACER INFO**

Your safety is our concern, please wear a mask at Packet Pick-Up, and maintain a 6' social distance while attending the event. Help us help you be able to continue to race. Please refer to [teambigbear.com](http://teambigbear.com) for all event COVID procedures.

Registration: Pre-registration is required.

Please print out and bring your signed waiver, and purchase your One Day USAC License online (Juniors do not need a license to race in 2021) before attending.

Start Sequence: Time Trial format. We will not gather as a big group at the start. You will socially distance in your category and at your scheduled start time, you will roll through the corral. Your actual race time will begin when you cross the timing mat.

Courses: Please take note to which course you are riding. We have provided extra signage to insure you follow the correct course. Since we will NOT be placing dots on your race plate, Course Marshals will not know which course you are supposed to be riding. Therefore, YOU are responsible for knowing which course you are riding and follow the signs accordingly.

Feed Zones: We will NOT provide feed zones, please plan accordingly.

Trash: NO GU PACKETS LEFT ON THE TRAIL, please put them in your pocket.

Results: Results will NOT be posted, go to our website, [www.teambigbear.com](http://www.teambigbear.com), and click on the Results tab.

Awards: You may pick up your award at Registration. There will NOT be an award ceremony.

All of these changes are so we can adhere to Covid 19 County Guidelines, keep you safe, and continue to race. Your understanding and cooperation is crucial.

Thank you, Team Big Bear Staff
