

Sts. Cyril & Methodius

Feast Day: February 14

These brothers by birth became brothers in mission. Cyril and Methodius were born to a Greek diplomat in the 800s. The two brothers served in local governmental posts before each withdrew to a monastery. Their lives changed when the political leadership in Eastern Europe — what is now Ukraine — requested priests who spoke the native Slavic languages. Cyril and Methodius had proven themselves as able administrators and holy men, so they were sent as missionaries. First, Cyril invented an alphabet. This became the foundation for what is now used today and is still called the Cyrillic alphabet! Next, the brothers translated the Gospels, the Psalms, and other liturgical books into the native language of the people. Their work spread across Eastern Europe. God indeed raises up
