RE: PERMIT NO. 03-19-15P-004, ALTA SIERRA MUTUAL WATER COMPANY

Dear Mr. Preston:

We are pleased to inform you that the State Water Resources Control Board, Division of Drinking Water (hereinafter Division) has issued a water supply permit to continue operating the Alta Sierra Mutual Water Company (hereinafter Water Company) Water System. Permit applications were submitted as follows; permit amendment application dated May 30, 2003, for the Horizontal Wells 5, 6 and 7, permit amendment application dated May 18, 2009, for Horizontal Wells 8, 9, 10, 11, and continuous chlorination treatment, and permit amendment application dated August 25, 2014, for Horizontal Well 12. Instead of amending the existing permit, the Division is issuing a full revised permit. Enclosed are the permit document and the engineering report.

Please acknowledge in writing your willingness to comply with the permit provisions contained herein **within 30 days**. If you have any questions regarding this issue, please contact Osiel Jaime, Sanitary Engineer in our Office at (661) 335-7347.

Sincerely,

A handwritten signature in black ink that reads "Jaswinder S. Dhaliwal".
