Why Pre-School Gymnastics?

Gymnastics training at a young age has proven to be one of the best ways to help children improve in all the critical areas of development. Physically it provides an outstanding foundation for any future activity involving movement.

The confidence developed along with the benefits of interacting with other children and adults is invaluable. Children who have preschool gymnastics training are very well prepared for their early school years.

CLASSES

Mom and Minis- 1 to 2 years and walking

This class requires adult participation and is a wonderful way to make new friends, socialize, and play in a fun safe structured environment. Through The use of games, specialized preschool equipment and lots of moving around we will work on all of the age appropriate motor skills that children of this age need.

Little Jacks- 2 to 3 ½ years old

This class requires adult participation, and is a great chance for parents to spend quality time with their child. Classes will focus on teaching large motor skills in our beautiful new preschool gym, specifically designed for younger children. All of this is accomplished in a fun and safe way allowing for lots of socializing experience. Our progressive program will enable students to advance to our Jumping Jacks program.

Jumping Jacks- 3 ½ to 5 years old

At this age the students are introduced to all of the gymnastics basics, in a fun, safe and exciting environment. This is a great opportunity for children to learn to take direction from adults other than their parents. This can enhance your child's experience in school by improving their ability to learn.

Our Philosophy

At Ace Gymnastics our goal is to provide the finest gymnastics training in the capital region! From our state-of-the-art facility to our elite level staff everything about our program is first class. All of our students will be treated with respect and taught in a progressive and positive way.

Class structure

We offer 1 hour classes. The average student ratio is seven to one. Classes meet once a week for 8 weeks, \$138.00. Additional days are available!
