SILICONE
2020
CATALOGUE

About us

Loulou LOLLIPOP is a Canadian company run and founded by twin sisters Eleanor and Angel. We like to think of our silicone teethers and pacifier clips as chewable “candy,” hence the LOLLIPOP in our name. More importantly, though, we are a family business committed to making babies and parents happy. We hope our goods will help you dream big, have fun, and share many sweet and cherished adventures.

We live for the extra special in both design and function. We’re constantly experimenting with fun, innovative ways to make our goods refreshingly new as they stand the test of

time. All our products, from silicone teethers to muslin blankets, are ASTM, CPSC and CPSIA compliant to meet local and international safety standards. And, because accessibility is key, we make sure they’re of the most stellar quality at the fairest prices.

Find our silicone teethers, pacifier clips and muslin blankets, and other baby goods at Nordstrom, Anthropologie, Crate and Barrel, Pottery Barn Kids, and 1000+ specialty gift and baby stores in North America.

Why Silicone?

Why Silicone and what is food grade silicone?

Health Canada says, "Silicone rubber does not react with food or beverages, or produce any hazardous fumes."

Silicone is a non-toxic polymer mostly made from silica (sand) oxygen. It can withstand heating and freezing without leaching or off-gassing hazardous chemicals – unlike plastics, which contaminate food in these environments. Due to its resiliency, non-porous surface and sustainability, food grade silicone is sometimes referred to as "soft glass." It is odor- and stain-resistant, hypoallergenic, and because of its smooth surface, very easy to clean. For these reasons, and because it is soft like rubber and does not break, it is the perfect material for eco-friendly and non-toxic baby products.

Benefits of food grade silicone:

- Highly resistant to damage and degradation from extreme temperatures.
- Doesn't harden, crack, peel, crumble, dry out, rot or become brittle over time.
- Made from an abundant natural resource
- Non-toxic and odorless – contains no BPA, latex, lead, or phthalates.
- May be 100% recycled at select locations and is considered non-hazardous waste.

customer REVIEWS

Super Cute!

I love how it's all silicon vs metal clip. Totally safe for babe to chew.

11/03/2019

Jeanne Williams

Sushi Pacifier

Love this pacifier!! It's not only cute but safe! My daughter has the other ones with the metal clip; she would always chew the metal which freaks me out. Now, I don't have to worry about it anymore!

11/06/2019

Cindy Barone

Perfect

Adorable pacifier clip and great teething product! My little one love to play with it and chew on it!

11/21/2019

Erika George

Cute!

My grand nephew and his parents will enjoy this soooo darn cute handy clip that will prevent the pacifier &/or teether from being dropped or thrown onto the floor.

12/17/2019

Lillian

Super Cute!

Adorable pacifier clip. Good quality and it goes well with the bubble tea teether my gf got for me! Can't wait to use both items.

12/18/2019

Samantha L

TEETHER SETS

Silicone Goods

Our signature teethers with holder sets make these a popular choice among moms. They keep the toys close to baby and no more pick-ups.
