Fall/Winter 2021 TENCEL Apparel Collection

Tencel Jersey Blend

Our Tencel™ Lyocell and Organic Cotton blend is combined with spandex to create a luxuriously soft fabric that is certified Oeko-Tex® Standard 100.

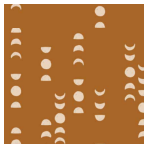

Organic cotton is grown without harsh pesticides which creates less contamination of soil and waterways and causes less damage to our planets natural resources. Organic cotton is softer then regular cotton and free of any chemicals to be more gentle on sensitive skin.

Tencel™ branded Lyocell is known for its natural comfort and the fibers are produced by environmentally responsible processes from sustainably sourced wood. These fibers are incredibly strong, breathable and gentle on sensitive skin.

66% Tencel™ Lyocel, 28% organic cotton, 6% spandex.

Machine wash, tumble dry low.
