## “ Security Blanket

LOVE LOVE LOVE

My daughter loves her LOVEY! So glad we found this website. And, getting 2 is wonderful, never know if it will get lost or damaged and not be available later...

Lauren

## Safari Jungle Bodysuit and Hat

Beautiful outfit.

I purchased the Safari Jungle Bodysuit and hat as my son's first outfit to come home from the hospital. The quality and feel of the material are beautiful. It washed wonderfully in cold water. I can't wait for my lil one to wear it once he arrives.

Lindsay

## Hooded Towel

Love the size of the towel and washcloth. The size of the towel is perfect for toddler up to big kid and the quality is amazing so we can get a lot of use out of this towel. I also liked how it came as a set with a washcloth which was also nice and large and could even be used as a burp cloth for smaller babies. Overall, I am very happy with my purchase!

Katie

## Muslin Quilt

Not Your Typical Blanket!

THIS is the most uniquely designed baby/toddler blanket my family has ever seen! The design is beautiful and honoring of our USA! The colors are in the sweetest soft hues! You've outdone yourself with this design Loulou Lollipop!!

Debra

## Muslin Swaddle

Beautiful

Gorgeous and such high quality! I have washed numerous times with no fading or loss of softness. This is my favorite swaddle we own.

Alissa

## Fitted Crib Sheet

Best sheets ever!

These sheets are super cute & insanely soft. Our little one has very sensitive skin & these sheets are magical for her. We love the prints & can't wait until she's old enough to pick out what sheet design to use next. I believe we are going to be getting the crib sheets from the new ramen collection next!

Shayna

## Muslin

Swaddling isn't just the most adorable way to wrap your newborn up like a burrito. Keeping your baby snug in warm blanket wrap reminds newborns of the womb, helping them feel safe and warm. Naturally, the right blanket is key to a great swaddle.

The Loulou Lollipop swaddle and blanket collection is made from premium quality rayon from bamboo and cotton muslin fabric. Muslin is a loose simple woven fabric known for its breathability and softness, that's also capable of handling the wash as often as newborn life demands it.

Caring for muslin is easy too: just machine wash and tumble dry. No fuss.

# Tencel™ Knit

The Loulou Lollipop premium TENCEL™ knit collection is crafted from natural TENCEL™ Lyocell and organic cotton fibers that are delectably soft, temperature regulating, moisture wicking and gentle on the environment. All the pieces are thoughtfully designed and carefully sewn at an OEKO-TEX® certified factory, meaning safer for your child and better for the planet.

# Tencel™ Lyocell

## Botanic origin

Derived from all natural sustainable wood sources, and harvested from certified and controlled sources using an environmentally responsible closed loop production process.

## Gentle on skin

Our fabric is naturally smooth to touch and offer long lasting comfort for your baby's delicate and sensitive skin.

## Durable

TENCEL™ Lyocell fibers are distinguished by their great strength among other rayon fibers, allowing them to last longer and less pilling.

## Sustainable production

Produced through an environmentally responsible closed loop production process. More than 99% of the water and solvents used in the production of the fabric are recycled and reused. Gentle on your baby's skin and kinder on our planet.

## Superior breathability

Derived from natural material, the fibers are structured to regulate the absorption and release of moisture, contributing to more breathable fabrics that supports the body's natural thermal regulating mechanism, keeping your baby's skin feeling pleasantly cool, dry and comfortable throughout the day and night.

# Tableware

Join us on a trip to the zoo as we bring our new adorable and practical Born to Be Wild tableware collection to you, designed for kids from ages 4 months to 5 years old. With thoughtful details and smart ergonomic designs, the collection makes mealtime as adventurous as they do easy.

The collection features six new animal characters that kids will fall in love with, all on our silicone plates, bowls, cutlery, and more. All non-metal pieces in the collection are made with premium, buttery soft and food safe silicone, and all materials meet international safety standards. That means they're free of BPA, Phthalates, and harmful substances. We are proud to create good products that bring health and happiness into your home.

## Food-Grade Silicone

Silicone rubber does not react with food or beverages, or produce any hazardous fumes. Food-grade silicone is the perfect material for eco-friendly and non-toxic baby products.

Benefits of food grade silicone include:

- Built to last and can withstand heating up to 400°F/ 203°C and freezing.
- Naturally resistant to bacteria, mold and fungus.
- Odor and stain-resistant.
- Hypoallergenic.
- Durable, unbreakable and can stand up to everyday use.
- Sustainable. Made from an abundant natural resource, Sand.
- Non-toxic, contains no BPA, latex, lead, or phthalates.
- Silky smooth surface, very easy to clean.
- Inert and stable. Does not leach hazardous chemicals to the environment.

## Infant Feeding Spoon
