

**To non-governmental organizations  
in official partnership with UNESCO**

Dear Partners,

We are pleased to invite you to attend the **18<sup>th</sup> International Forum of NGOs in official partnership with UNESCO** on “**Greening Education Partnership: NGOs Engaged for Sustainable Impact**”, which will take place online on **11 and 12 February 2026** from 2:00-5:00 PM CET (Paris time). Please find enclosed a concept note and the preliminary programme.

The Forum will serve as a platform for dialogue, exchange of experience and collective reflection on the role of NGOs in advancing the Greening Education Partnership (GEP). It will build on UNESCO's longstanding work in Education for Sustainable Development and climate change education and provide an opportunity for NGOs to reflect on how they can support ongoing efforts related to sustainability in education, in line with the objectives of the 2030 Agenda for Sustainable Development.

Organized by the NGO-UNESCO Liaison Committee in cooperation with UNESCO in accordance with the *Directives concerning UNESCO's partnership with non-governmental organizations*, this Forum is primarily intended for NGOs in official partnership with the Organization as well as NGOs engaged in the Greening Education Partnership, and is open to other interested parties among international, regional and national NGOs, institutions, academic and scientific communities, youth and student representatives, and Member States.

We are very much counting on your active participation in this Forum, and we invite you to disseminate this information to any other organizations and partners which may be interested to join this event. Requests for additional information should be addressed to the Liaison Committee (e-mail: [comite.liaison.ong@unesco.org](mailto:comite.liaison.ong@unesco.org)).

Yours sincerely,
