

PROCUREMENT SERVICES

What we offer

Standing on 30 years experience working in the supply of MRO requirements for maintenance programs, JaiKai Cresco is well placed to provide the right spare parts or partner at the right time.

Knowledge

We have an extensive knowledge current and legacy brands of the equipment installed in factories like yours. If we need information we know the right questions to ask.

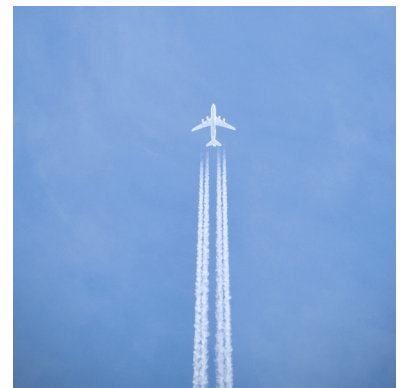

Packing & Consolidation

We use a central location for consolidating a wide range of item types to make logistics economic.

Shipping

Courier, Air or Sea. No problem! We can arrange the most suitable method of shipment for you.

Paperwork

Using the right logistics partners, prompt & correct shipping documentation to support a prompt clearance and arrival at site.

In Contact

We are always contactable. Phone, Email, WhatsApp, Skype, Telegram etc.

Your Branding

Procurement services may be provided in your name by arrangement.
