

OUTSOURCED SALES

What we offer

January, 2024

Our wide experience in international sales across multiple industries and technologies allows us to hit the ground running.

Working with our own references or your own our aim is to help you in testing new markets or regenerating old or under performing ones.

Focused Effort

Outside of the important day to day tasks of any business we are able to focus on specific projects in developing new leads or re-establishing old accounts.

Costs Managed

Using an hourly fee based system, budgeting for new lead creation is easy.

Flexibility

Need full time support? - No Problem!
Only require part time - No Problem!
Short term and longer term durations are easy options.

Control

Time to bring the project "in house"? No problem! Handover & post support is available.

Your Branding

No risk of loss of brand awareness. All contact is made in the name of your organisation along with emails etc..

Existing Work

Allow your sales team to continue to focus on providing high levels of service to your existing customers.
