CLIENT TESTIMONIALS

Shaheen Grinding Mills consistently delivers high-quality mineral products that are essential for our operations at Akzo Nobel Pakistan. Their products meet our strict specifications, and their service is reliable and efficient. I'd like to especially acknowledge Mr. Ahmed Iftikhar for his exceptional support. His responsiveness and willingness to go the extra mile have been invaluable to our partnership.

Ex Kansai

We've had a successful partnership with Shaheen Grinding Mills since our transition from Kansai Paints to Kaizen Paints. They provided invaluable support during this challenging time, even when some doubted our new management. Since Ahmed Sb.'s arrival, he has addressed all our concerns and fulfilled any requests for modifications. We appreciate his proactiveness and look forward to continuing our strong relationship with Shaheen Grinding Mills.

kaizen paint

The best part about my experience with Shaheen Grinding is that they always went above and beyond to make sure our company's whiting requirements are met. They are very responsive and they ensure availability of whiting supplies at all times.

We at Diamond Paints, are satisfied and appreciate Shaheen Grinding Mills for their products and services. Not a single batch has been rejected over the last two years, highlighting their determination and commitment towards quality. Their timely deliveries and exceptional communication further solidify our confidence in them. We highly recommend Shaheen Grinding Mills as a reliable and trustworthy partner.

Shaheen Grinding is providing us calcium CC 2500 from the last five years.

During this period, we have found the following qualities of their

products.

- Mash powder is of superior quality.
 Coating is of fine quality as compared to other brands.
- •It protects the internal surface of machine and enhance its life.
- Packing quality is excellent due to which there is no wastage of material.

Shaheen Grinding Mills is one of the renowned companies that is dealing with calcium carbonate and many other products related to coatings. We appreciate Ahmed Iftikhar Sb and his company for being so vigilant, and never compromising on the product quality. We believe their practices enable them to maintain the standards of quality.

M&M ENTERPRISES

We have been associated with Shaheen Grinding Mills for the last 6 years now and have always find Shaheen to be very cooperative. Also ever since involvement of Mr. Ahmed there has been a clear mindset change as well. With the involvement of fresh blood I can clearly see an improved vision which is more than ever focussed on quality and customer care.

Wishing Mr. Ahmed and his team success in the future.

It's been a decade of working with Shaheen Grinding Mills and they've proven to be thorough professionals committed to continuous improvement and service excellence.

Mr. Ahmed has led the organization in an exemplary way, inculcating great work ethics across the organization.

It has been a wonderful journey with a lot more to come!

Nippon Paints applauds Shaheen Grinding Mills for their continued excellence. Their dedication to quality and responsiveness remains unwavering. We especially appreciate the new management's exceptional support, which has proven invaluable during these challenging economic times. We value Shaheen as a trusted partner and look forward to a lasting collaboration.

As a brand synonymous with quality footwear, Bata Shoes places high importance on our raw materials. Shaheen Grinding Mills stands out as a supplier who consistently delivers according to our exacting standards. Their willingness to customize their products to our specific needs, especially under the new management, has been instrumental in our success. We value Shaheen's dedication to innovation and their position as a reliable partner.

At GM Cables and Pipes, we rely on Shaheen Grinding Mills as a trusted supplier of our raw materials. Their professionalism and consistent quality ensure we can meet our own high standards. We highly recommend them!

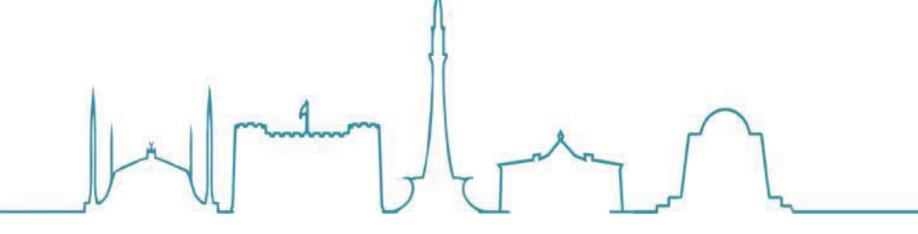

We at Jawa Paints are writing to express our sincere appreciation for your valuable support in product modification. Your expertise in tailoring calcium carbonate to our specific needs has been instrumental in optimizing our paint formulations.

By providing us with customized particle size, whiteness, and other key properties, you've enabled us to achieve superior performance in areas like opacity, brightness, and cost-efficiency. This not only enhances the quality of our paints but also strengthens our competitive edge in the market.

We look forward to continuing our collaborative partnership and exploring further opportunities to leverage your innovative solutions.

Thank you for your continued dedication to excellence.

•We are 100% satisfied with Shaheen Grinding responsiveness to our needs, exceptional delivery time, and overall customer service.

I am Hamza Sikka director Selecto Paint. We have been working with Shaheen Grinding Mills for last 10 years and my experience with them have been remarkable. With the time we have gained complete trust on them. After the joining of Ahmed Iftikhar, the product material quality has improved significantly. Their team is very responsive when it comes to trouble shooting. I look forward to their continued support and services in future.

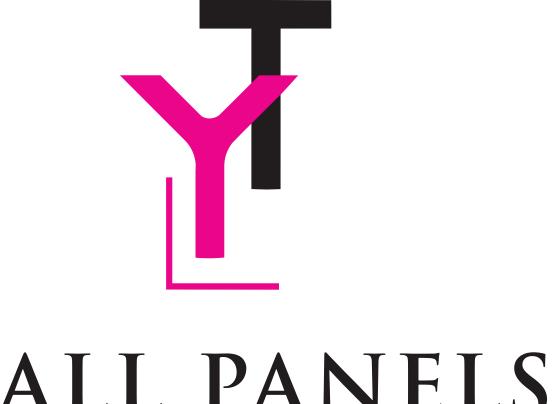

Shaheen Grinding Mills is a valued vendor that consistently meets the high standards of our vendor management system. We particularly appreciate their prompt and effective resolution of recent technical and commercial issues.

Their commitment to quality is evident, placing them on par with multinational corporations within the calcium carbonate and coatings industry. Since Mr. Ahmed Iftikhar's arrival, Shaheen Grinding Mills has undergone a remarkable transformation. The organization has demonstrably improved its work style, customer focus, and engagement. Additionally, they have maintained consistent material quality.

We commend Mr. Ahmed's proactive approach to client development and his dedication to streamlining processes. Bin Rasheed is proud to partner with Shaheen Grinding Mills and looks forward to a continued successful relationship
