

Manly Greens July Newsletter

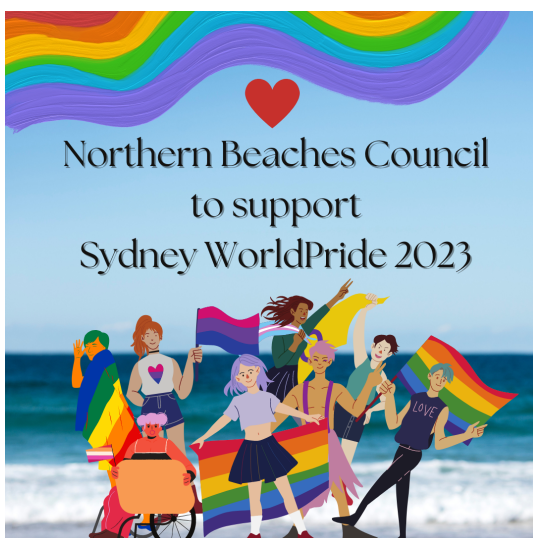

Dear ,

It's another busy month on Council, with Council progressing several important motions, including resolving to put its first draft of the proposed Conservation Zones for the new LEP on exhibition in September. I'll share a link to that in my September update when it goes live. The exhibition will show the proposed changes to our current environmental zones, the methodology for how the proposed maps were prepared, and give opportunity for feedback.

Other important resolutions included leasing the disused Manly Bowling Club site to Manly Warringah Gymnastics Club, and engaging an architect for the first stages of redesigning the Manly Surf Lifesaving Club.

Recent activities

Some of what I've been up to on Council this month and in the community

Council to support local

Attending community event to

WorldPride themed activities

Council unanimously resolved to support my joint motion with Councillors De Luca, Sprott, Robins, and Bingham to support Sydney WorldPride themed activities on the Northern Beaches! Did you know that the LARGEST festival since the 2000 Olympics will be happening in Sydney in February-March next year! With over 78,000 visitors expected to come to Sydney for LGBTIQIA+ themed events, including all the usual Mardi Gras events, conferences, parties, and other activities.

It's a great opportunity to create pride themed events and activations close to home, and to invite visitors onto the Northern Beaches to see the sights and visit our local businesses.

conserve Northern Beaches Bushland

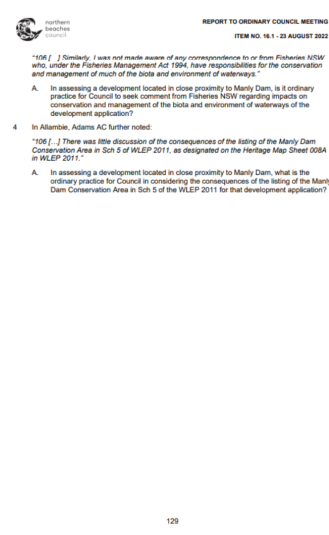

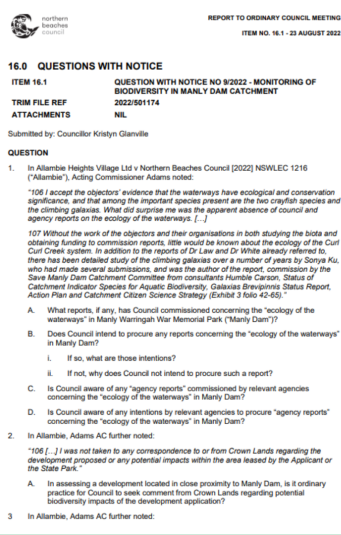

I spoke at a community meeting about the approval of a Development Delivery Plan which intends to investigate the redevelopment of ~220ha of bushland on the Northern Beaches in suburbs including Belrose and Frenchs Forest.

We launched a community petition to the NSW Legislative Assembly calling for the approval to be reversed, and alternatives to be explored, such as paying the owners to lease or purchase the land for National Park, a land swap, or compensation.

Thanks to Save the Northern Beaches Bushland for getting the ball rolling on the campaign. A town hall event and further activities to educate and mobilise the community are planned.

Are you able to help with the campaign by helping collect signatures or letterboxing? Or interested to find out more? Sign up to receive updates and register to volunteer at: [https://dashboard.mailerlite.c...](https://dashboard.mailerlite.com/)

Or learn more and print the petition at: <https://beachesbushland.mailer...>

Question with Notice re Manly Dam

Thanks to [Save Manly Dam Bushland](#) for bringing this to my attention. At the Council meeting this week, I asked a question with notice, seeking a response to comments made by the Land and Environment Court concerning Council's assessment of development next to our precious bushland at Manly Dam. I'll share Council's response when received.

Have your say

Council is regularly seeking public comment on various subjects - you can register to be notified about consultations in your area or on topics of interest at: <https://yoursay.northernbeache...>

Upcoming Community Events

Interesting Northern Beaches events in the coming weeks. These aren't organised by me, but you might be keen to RSVP!

Thurs 1 September 7.30AM-9AM

Anti-shark nets rally

ORGANISED BY CATE FAEHRMANN
MLC

On 1 September, the 2022-2023 shark meshing program kicks off and will run for 8 months, indiscriminately killing marine wildlife and doing nothing to keep beachgoers safe. Join us for a rally at Manly Beach opposite Manly Greenhouse on the day the nets go in to call for an end to shark nets and for investment in evidence-based, non-lethal programs.

Sunday 28 July 1-3PM

Free Council Composting seminar

COUNCIL EVENT

Join Paul Cannings and Tim Seaton in their interactive workshop on Composting and Worm Farming, a great alternative to disposing of your food waste in the rubbish bin while creating quality fertiliser for your pot plants and garden.

Attend our compost and worm farming workshop and you'll receive a voucher to put towards purchasing a worm farm or compost bin to get you started unless your household has already received a free worm farm or compost bin from Council.

Upcoming ACF Community Northern Beaches nature activities

NON PARTISAN COMMUNITY EVENTS

Are you part of ACF Community Northern Beaches? They're a local independently organised, volunteer-run group in the ACF Community. They organise many local events, including:

- Citizen science at Manly Dam (28/8 @ 9.30AM) RSVP - <https://www.acf.org.au/inatura...>
- Walk & weed at Belrose (7/9 @ 9.30AM) RSVP - https://www.acf.org.au/walk_we...

- Wildlife spotting at Warriewood Wetlands (11/9 @ 9.30AM) RSVP
- <https://www.acf.org.au/warriew...>

Kind Regards

Kristyn Glanville

Councillor - Northern Beaches Council, Curl
Curl Ward
