

**PLATO FIRE DEPARTMENT
EMPLOYMENT OPPORTUNITY**

VOLUNTEER FIREFIGHTER

PURPOSE:

Protects life and property by performing firefighting activities, emergency aid, hazardous materials response and fire prevention duties. This position may also be required to maintain fire equipment, apparatus and facilities. Volunteer firefighting personnel train to the same standards as full-time firefighters.

EXAMPLES OF WORK:

- = Perform firefighting activities including fire suppression, ventilation, ladder operations, search and rescue and hazardous materials response.
- = Drive and operate emergency apparatus.
- = Participate in fire drills, attend classes in firefighting, emergency medical response, hazardous materials and related subjects.
- = Operate radio and other communication equipment.

MINIMUM REQUIREMENTS:

- = Must be a minimum of 18 years of age.
- = High School Diploma or GED.
- = Valid Minnesota Driver's License.
- = Must live or work within Plato Fire District.

HOURS:

- = May be called for emergency response anytime during a 24 hour day. Attendance is required at monthly practices and meetings.

PLATO FIRE DEPARTMENT

Physical Agility Test

The physical agility test is designed to assure that a candidate has the physical strength, stamina and agility required to effectively and safely perform the duties of a firefighter.

This is a brief description of the steps each candidate must pass to advance in the testing process. Specific instructions and a demonstration for each station will be provided to all candidates prior to the physical agility test.

1. Candidate must don full turnout gear with air pack.
2. Candidate must kneel for 1 minute.
3. Candidate must crawl 25 feet to back of Engine #1, lift fan up to bumper and set back on floor.
4. Candidate must walk 30 feet to ladder and climb ladder to mezzanine.
5. Candidate must grab rope and pull hose bundle up to mezzanine level.
6. Candidate must drag rescue Annie forward to steps and back again.
7. Candidate must put hose bundle on shoulder, walk backwards down steps and back up again.
8. Candidate must walk backwards down steps and walk to wall.
9. Candidate must drag hoseline out to finish line.

This is a pass/fail test and the candidate must pass all stations of the test in 10 MINUTES or less.

TENNESSEN WARNING

In accordance with the Minnesota Government Data Practices Act, the Plato Fire Department/City of Plato is required to inform you of your rights as they relate to the private information collected from you. Private data is information which is available to you, but not to the public. The personal information we collect about you is private. Minnesota Statutes 130.04 and 13.43 are two sections that govern what affects you as an applicant for employment with the Plato Fire Department/City of Plato. All data collected is considered private except for the following:

1. Your Veteran's status.
2. Relevant test scores.
3. Your rank on our eligibility list.
4. Your job history.
5. Your education and training.
6. Your work availability.

Your name is considered private information, however, if you are selected to be interviewed as a finalist, your name becomes public information.

The data supplied by you may be used for such other purposes as may be determined to be necessary in the administration of personnel policies, rules and regulations of the Plato Fire Department/City of Plato. Furnishing social security numbers, date of birth (unless a minimum age is required), sex, age group, and disability data is voluntary, but refusal to supply other requested information will mean that your application for employment may not be considered.

Private data is available only to you, appropriate Fire Department/City employees, and others as provided by state and federal law who have a bona fide need for the data. Public data is available to anyone requesting it and consists of all data furnished in the application for employment which is not designated in this notice as private data.

Except for race, sex, age, and disability data, the information you give us about yourself is needed to identify you and to assist the Plato Fire Department/City of Plato in determining your suitability for the position for which you are applying. Race, sex, age, and disability data are used in summary form by the Plato Fire Department/City of Plato to monitor protected class employment and to meet federal, state and local reporting requirements.

I declare that I have read and understand the information given above regarding the Minnesota Data Privacy Act.
