

GORGEOUS

A woman with long, light-colored hair is crouching on a dark surface. Her hair is blowing upwards and outwards, creating a dynamic, wind-blown effect. She is looking upwards and to the right. The lighting is dramatic, highlighting the contours of her body and the texture of her hair.

“Let me photograph
you the way your
loved ones see you.”

—Chelsea Williams

I am a makeover portrait photography brand.

Portrait photography has changed so much since the 80's glamour style portraits. Today, it has become more "Fashion Magazine Style". What I offer is a celebrity-style photoshoot experience with fully styled hair, makeup, and clothing however you want to be photographed and whoever you want to be photographed with.

THIS IS A CELEBRITY-STYLE PHOTO SHOOT EXPERIENCE!

When was the last time you were professionally photographed?

When you come in for a consultation we will plan and design a photo shoot that you want—that you've dreamed of. My team of professional makeup artists and hair stylists will give you a full makeover and give you any level of glam that you want to be. We have you bring up to five outfits for your photoshoot and help you style them. And, if you do not have five outfits to wear, during the consultation we can style a wardrobe for you from what we offer in our studio.

We can also help you find outfits to rent or buy online. I can even make and design gowns for your shoot! I have crafted headpieces, neck pieces, dresses, tulle skirts for many of my clients. So whatever you can think of—that is what I will create for you.

Who would you like to be photographed with?

Enjoy this photo shoot with your mother, sister, daughter, best friend, husband, or partner. You can plan it as a "Girls Day Out" with champagne and hor d'oeuvres. We can create an incredible shoot for you and your daughters where the guys show up at the end for family portraits. You can share this experience with your Mom and Grandma. I've photographed three and four generations together. And he best part, you can go out that night and "paint the town red" because you are all going to look and feel fabulous!

"You owe it to yourself to become
everything you've ever dreamed of being."

THE REVEAL

Following your portrait session is your reveal. This is when you come back to my studio and you get to see portraits printed, up on the wall, and decide what you want to buy. Depending on the portrait session you choose you will see up to 30 portraits. You can purchase a folio box and place all your images into it for safe keeping. Choose wall portrait enlargements or any combination of the two.

My products will be on hand at your reveal to look at and touch. We can even design a beautiful gallery wall to display in various enlargements sizes complete with your choice of vintage frames in white or gold. What you buy is entirely up to you. My job is simply to take the most beautiful portraits you have ever seen of yourself that you want to buy them all!

“You hold the keys
to your own healing.”

Mother & Daughter Portraits

These photographs will become some of the most valuable things that you and your children will ever own! Create priceless family heirlooms with a mother and daughter portrait session. Schedule a session every year to celebrate your beautiful relationship and watch each year as your daughter grows into

young woman. Get all dressed up and have your hair and makeup done. Create something that you and your child will remember and cherish for the rest of your lives and spend an amazing day together making memories!

Abi Fourie

Founder of *Clothed by Faith*

"Clothing is so much more than the fabric on someone's back. It represents dignity, is part of your personal expression and identity, and an extension of your self-worth."

"I grew up living below the poverty line depending on indiscriminate second-hand donations that usually made me feel even more conspicuous and vulnerable - I founded Clothed by Faith so that nobody would ever have to feel the way I did as a child."

Clothed by Faith accepts donations of clothing at either of their two physical locations, one in Katy and one in Deer Park, or a numerous other drop off locations which can be found on their website, clothedbyfaith.org. While clothing donations are the lifeblood of what CBF provides, the immense need created by this previous year has made the need for monetary donations particularly critical to help accomplish the expansion needed to address the considerable increase in demand. Monetary donations can be given through the website as well and are tax deductible.

Clothed by Faith was founded in 2013 by UK transplant and current Woodlands resident, Abi Fourie, to help bring dignity and hope to individuals and families by meeting the tangible need for clean, good-quality clothing that is presentable and accessible.

Clothed by Faith provides each program recipient a donation that comprises one week's worth of clothing, shoes, new socks, and new underwear. Each individual recipient works closely with a CBF staff member to carefully select the style and color preferences, as well as seasonal and occupational considerations that suit the recipient. The completed clothing bundle is presented in a nice gift bag with notes of encouragement and other personal gifts.

In addition to donations received through their website, Clothed by Faith has forged a unique partnership with local meal company, Flavoury. Co-Founded by Abi's husband, Julian Fourie, Flavoury creates globally-inspired gourmet frozen meals that are prepared by chefs, ordered online and shipped directly to customers' homes. Through this partnership, a portion of every meal purchased is donated directly to support the work of Clothed by Faith and together the two organizations hope to continue expanding in 2021 to help meet the ongoing needs of the greater Houston community.
