"Let me photograph
you the way your
loved ones see you."

—Chelsea Williams

I am a makeover portrait photography brand.

Portrait photography has changed so much since the 80's glamour style portraits. Today, it has become more "Fashion Magazine Style". What I offer is a celebrity-style photoshoot experience with fully styled hair, makeup, and clothing however you want to be photographed and whoever you want to be photographed with.

THIS IS A CELEBRITY-STYLE PHOTO SHOOT EXPERIENCE!

When was the last time you were professionally photographed?

When you come in for a consultation we will plan and design a photo shoot that you want—that you've dreamed of. My team of professional makeup artists and hair stylists will give you a full makeover and give you any level of glam that you want to be. We have you bring up to five outfits for your photoshoot and help you style them. And, if you do not have five outfits to wear, during the consultation we can style a wardrobe for you from what we offer in our studio.

We can also help you find outfits to rent or buy online. I can even make and design gowns for your shoot! I have crafted headpieces, neck pieces, dresses, ballie skirts for many of my clients. So whatever you can think of—that is what I will create for you.

Who would you like to be photographed with?

Enjoy this photo shoot with your mother, sister, daughter, best friend, husband, or partner. You can plan it as a "Girls Day Out" with champagne and hor d'oeuvres. We can create an incredible shoot for you and your daughters where the guys show up at the end for family portraits. You can share this experience with your Mom and Grandma. I've photographed three and four generations together. And the best part, you can go out that night and "paint the town red" because you are all going to look and feel fabulous!

THE REVEAL

Following your portrait session is your reveal. This is when you come back to my studio and your portrait prints are printed, up on the wall, and decide what you want to do. Depending on the portrait session you choose you will see up to 100 prints. You can purchase a little box and place all your images in for safe keeping. Choose wall portrait enlargements or any combination of the two.

My products will be on hand at your reveal to look at and touch. We can even design a beautiful gallery wall display in various enlargements sizes complete with your choice of vintage frames in white or gold. What you buy is entirely up to you. My job is simply to take the most beautiful portraits and have the team of yourself that you want to buy them all!

SOPHIE

Sophie's verse to live by:

Finally, brothers and sisters,
whatever is true, whatever is noble,
whatever is right,
whatever is pure,
whatever is lovely,
whatever is admirable
- if anything be praiseworthy -
think about such things."

Philippians 4:8 NIV

Avery

Avery is a fashion forward teenager with heart who loves to make others happy. She stands up for the underdog. She says she puts herself in other people's position to better understand them.

For fun Avery enjoys shopping, traveling, putting on makeup and outfits together, cooking and spending time with friends and family. One of her favorite meals is cheese ravioli but she admits she loves anything with pasta and bread.

When asked what makes an ideal outfit Avery said "Me owning whatever outfit I choose to wear and being confident in my own skin. I really enjoy wearing a slim fit dress or leggings with a blazer and heels".

Avery also talks about how she was born an identical twin and overcame a rare disease called twin to twin transfusion syndrome. She only weighed 3.2lbs when she was born. Having survived with the odds against her Avery says she knows God has a purpose for her life. She uses the Bible as her roadmap in life. She knows that God's word has the answer to any and every question she could possibly imagine.
