“Let me show you

“You owe it to yourself to become everything you’ve ever dreamed of being.”

## I am a makeover portrait photography brand.

Portrait photography has changed so much since the 80's glamour style portraits. Today, it has become more "Fashion Magazine Style". What I offer is a celebrity-style photoshoot experience with fully styled hair, makeup, and clothing however you want to be photographed and whoever you want to be photographed with.

## THIS IS A CELEBRITY-STYLE PHOTO SHOOT EXPERIENCE!

### When was the last time you were professionally photographed?

When you come in for a consultation we will plan and design a photo shoot that you want—that you've dreamed of. My team of professional makeup artists and hair stylists will give you a full makeover and give you any level of glam that you want to be. We have you bring up to five outfits for your photoshoot and help you style them. And, if you do not have five outfits to wear, during the consultation we can style a wardrobe for you from what we offer in our studio.

We can also help you find outfits to rent or buy online. I can even make and design gowns for your shoot! I have crafted headpieces, neck pieces, dresses, tulle skirts for many of my clients. So whatever you can think of—that is what I will create for you.

### Who would you like to be photographed with?

Enjoy this photo shoot with your mother, sister, daughter, best friend, husband, or partner. You can plan it as a "Girls Day Out" with champagne and hors d'oeuvres. We can create an incredible shoot for you and your daughters where the guys show up at the end for family portraits. You can share this experience with your Mom and Grandma. I've photographed three and four generations together. And he best part, you can go out that night and "paint the town red" because you are all going to look and feel fabulous!

Following your portrait session is your reveal. This is when you come back to my studio and you get to see portraits printed, up on the wall, and decide what you want to buy. Depending on the portrait session you choose you will see up to 30 portraits. You can purchase a folio box and place all your images into it for safe keeping. Choose wall portrait enlargements or any combination of the two.

My products will be on hand at your reveal to look at and touch. We can even design a beautiful gallery wall to display in various enlargements sizes complete with your choice of vintage frames in white or gold. What you buy is entirely up to you. My job is simply to take the most beautiful portraits you have ever seen of yourself that you want to buy them all!

A woman with dark, curly hair is lying on her back on a thick, white, shaggy fur rug. She is wearing a sleeveless, silver, pleated dress. Her eyes are closed, and she has a slight smile on her face. Her right arm is raised, with her hand resting near her head. The lighting is soft and even, highlighting the texture of the fur and the metallic sheen of the dress.

“Beauty begins the  
moment you decide  
to be yourself.”

—Coco Chanel

# TESTIMONIAL

“I did a photo shoot with Chelsea that was such a fun and positive experience. Getting in front of the camera is completely out of my comfort zone, but she made me feel comfortable and relaxed. Which completely came through in the photos. Now I have beautiful pictures to pass down to my daughters.” —Elizabeth

“Behind all your stories is always your mother’s story, because hers is where yours begins.”

—Mitch Albom

“Style is a way to say who you  
are without having to speak.”

-Rachel Zoe

# Dance Style Portraits

There's something so beautiful about creating movement in photographs and shaping a dancer's body in a way that gives that gorgeous dancing look. We start by creating a collection of beautiful portraits in sitting positions, wrapping the dancer in tulle, and in dancing positions using flowing fabric and pointe shoes. This style of portrait session is

ideal for all ages and levels from ballet to modern dance styles. Bring your own outfits or choose from our collection of gorgeous tulle skirts and dresses in our studio wardrobe.

“Nothing makes a woman more beautiful than the belief that she is beautiful.”

-Sophia Loren
