“Dressing well is

“The real man

“Man is what he believes.”

-Anton Chekhov

Bring on the Personality

Why have men be marginalized in the area of their image?
We act like guys should not care about having nice images of themselves or even what their images say about them.
If an image speaks 1000 words why would you not want to write the story. Or at least proof read it!

With all my clients men or women I work with them to find the stories they want to tell and the light that makes them shine.

“We are all
in the gutter,
but some of us
are looking
at the stars.”

—Oscar Wilde

“Self Confidence is the
BEST outfit.”

Love of Pets

Some of my favorite session is clients with their pets.
It is always something new each time.
Each pet has a different personality just
as the owner does. The relationship between the two is just
beautiful.

"A man's soul can be judged by
the way he treats his dog."
-Charles Doran
