July 2020

President's Corner

Well I cannot believe it is the month of July already! When we celebrate this year with family and friends, let us all be safe and enjoy the day. But, it is going to be a different kind of 4th of July this year and some different rules apply for our gatherings. As we use the beach, please position your "beach blanket" 6 feet apart from others and follow the Lake Forest Association Beach Rules. If anyone needs a copy of the Lake Forest Association Beach Rules, they can be found on our website.

I would like to take this time to thank the people who have been taking care of cutting the grass and keeping the beach clean: John Hammond, John Hammond Jr., Freddie Castaldo Jr., Ken Popodic and Don Rastelli. These volunteers do a great job but we are still looking for additional volunteers to help us keep the beach clean, as well as the outside of the Clubhouse. Please contact me if you can be of any assistance – remember every little bit helps. I would also like to thank our Boat Warden, Matt Cohen, for the great job he does trying to get everyone to follow the rules.

The items listed below are for your information:

- **Bass Tournament**—Sunday, July 12th from 8:00 A.M. to 12:00 P.M. (see advertisement on next page).
- **Lake Forest Field Day**—This will be in August—more information to come once plans are finalized.
- **Floating Docks**—If you are thinking about building a floating dock., remember plans **MUST** be submitted to the LFA Board for approval **BEFORE** the start of any construction.
- **Summer Activities/Events**—Many activities and events are still being planned for the summer. As we know more about guidelines for getting together, we will let you know what is planned.

As always, if you have any questions or concerns, please feel free to contact me. Happy 4th of July to everyone! To all of our new members, we say "Welcome"!

From the Desk of our Boat Warden Matt Cohen.....

I'd like to thank Ken Popadic, not only for helping to put down copper sulfate, but for all the time he donates doing many things for the Association. Thank you Ken.

From the general rules:

"Any line, hook or lure tangled in trees or snagged on shore must be removed, if possible as they present a danger." The wildlife on the lake is a very important part of its Eco-system. Lines in trees can harm animals of many different types. Following this rule can make a difference now and for future generations.

Hope all are enjoying the lake.

Stay safe and stay healthy.

CONNECTICUT — The irony this Fourth of July is that celebratory fireworks shows are largely canceled. But not in the streets at night. Beginning this spring, the nightly barrage of mostly illegal firecrackers in cities and towns all over was shrugged off as a possible pandemic response: people maybe letting off steam. But for the past month, all over Connecticut, in big cities and small towns, it's been incessant.

All over social media for weeks, complaints from Westport to Avon to Westport, people are fed up. Well, not everyone, but most. Those with PTSD, babies, children, elderly, & pets have to endure the late night noise.

Friday, the Meriden Police noted that it, "as well as many other communities within the United States, have been experiencing an unusually high level of violations with concern to the use of fireworks." The department then went on to explain that in addition to being illegal, "the explosions of illegal fireworks can cause stress to pets, those with medical conditions, children, and many citizens in general. Additionally, the use of illegal fireworks can cause a risk of fire, injury, and death." And then proceeded to lay out the law saying it would enforce state laws against the use and possession of fireworks.

The following firework displays have not been cancelled:
 July 2nd—Naugatuck (rain date July 3rd).
 July 4th—New Britain
 July 5th—Waterbury

USEFUL NUMBERS

For Noise complaints/loud music—issues with college students.

- Bridgeport Police Non-emergency number (203) 576-7671, if true emergency, call 911.
- Call Sacred Heart Public Safety Office at (203) 371-7995. They have their own security patrol on Thursday, Friday, and Saturday from September to the beginning of May. The college pays for the extra patrol/response from Bridgeport PD in our area. Patrols are not used during the summer so if you have an issue, contact Dean Larry Wielk at the number listed below.
- Call the Dean of Sacred Heart—Dean Larry Wielk at (203) 371-7916 (let him know how many times the same houses have been reported to Police and the same problems exist).
- For other issues with city services—abandoned vehicles, illegal dumping, tree issues, blight public works, etc., or to report a concern, go to www.bridgeport.gov/Bridgeport311.
