November 2019

President's Corner

I am looking forward to a special day this month. On Sunday, November 17th, Lake Forest Association will have a celebration luncheon to honor and thank Betsey Meyer for all the things she has done for the Association for many years. The celebration luncheon is at the Clubhouse from 1:00 P.M. to 5:00 P.M. so please consider being part of this fun day. The cost is \$35 per person and all proceeds will go directly to pay off the balance owed on the Clubhouse. It will be great for the Lake Forest Association to finally own its property. Please see the advertisement on the next page for more details about this celebration.

Don't forget to set your clocks back on November 3rd. Please remember that leaves should not be blown into the lake and I ask that you remind your landscapers of this as well. If you have a storm drains in your area, please help to keep them clean in order to prevent flooding issues.

The next LFA meeting is on Wednesday, November 6th at the Clubhouse at 7:30 P.M. I hope to see you there. It would be great to see the new members who joined LFA attend these meetings and become an active participant in the things we do.

This meeting is a good time to bring up any ideas or concerns you may have or ask any questions. I would like to wish you and your family a Happy Thanksgiving.

Veteran's Day is Monday, November 11th. Veteran's Day is a tribute to military veterans who have served in the U.S. Armed Forces. Originating in 1919 when President Woodrow Wilson marked a year since the end of the First World War, the day coincides with other days of remembrance around the world including Armistice Day in the United Kingdom and Remembrance Day across the Commonwealth of Nations. Not to be confused with Memorial Day, which honors those who died while in service, Veterans Day honors all military veterans, including the living.
