## President's Corner

Wow, what a great, yet quick summer it has been! I have seen more boaters, people fishing, and a lot of paddle boarders enjoying our lake. It is nice to see families enjoying our beach/ picnic area also and making use of the gas grills. For many, it may seem at times difficult to find some type of enjoyment or stay positive so I ask you to remember how fortunate we are to have our clean beautiful lake. Hopefully, in the near future we can have a gathering or fundraiser on the beach--so stay tuned!

As we move forward, no one is sure how much longer and to what extent Covid-19 will affect us but we do need to follow the rules that are designed to help us keep this virus under control so **Please Wear Your Mask!**

In case anyone is wondering about the wet area of grass on Beach #2, we are in contact with the city, WPCA and Aquarion and an investigation is still underway as to the cause.

I am in great need of volunteers with a lawnmower or weed whackers to help maintain our beach and clubhouse areas--money is tight this year and there are no extra dollars to pay landscapers or others to do this work--the more we let it go, it appears neglected and that is certainly not what we want. I do try my best to keep up but I need your help! If you have any time to help us, please contact me....it will be greatly appreciated!

If Connecticut continues to have good Covid-19 numbers, perhaps one day soon we can have one of our famous Pasta Nites at our Clubhouse and be able to enjoy delicious food, a lot of laughs and prizes, along with some great company! Stay well-Stay Healthy

## Off-Campus Parties Could Mean Expulsion For Sacred Heart Students

(<https://patch.com/connecticut/fairfield/campus-parties-could-mean-expulsion-sacred-heart-students>) (8/24/20)

**First-time offenders will receive a 30-day suspension from campus and a \$100 fine, and repeat offenders will be expelled.**

FAIRFIELD, CT — College students in Fairfield who choose to celebrate the return to school with a party or two may face a lot more than a mess to clean up in the morning. At least one of the town's two universities plans to expel students who repeatedly host large gatherings in the wake of the coronavirus pandemic.

Holding more than one party "will cause immediate dismissal from school" for Fairfield University and Sacred Heart University students, First Selectwoman Brenda Kupchick said in a recent community email.

"I know many residents are concerned about the return of students to campus," Kupchick said.

Bridgeport police will patrol neighborhoods near Sacred Heart, Dean of Students Larry Wielk said in an email to students. Any group of more than 12 students who gather in non-university housing will be considered in violation of university policies, Wielk said. First-time offenders will receive a 30-day suspension from campus and a \$100 fine, and repeat offenders will be expelled. Sacred Heart students who live in university housing are allowed to have a limited number of guests, but the guests must live in the same building or complex as the host.

Sacred Heart students from states deemed high risk for coronavirus arrived at campus last week to begin quarantine, while remaining members of the residential student body will move in this week.

See Useful Numbers below if you need to contact Sacred Heart.

The college pays for the extra patrol/response from Bridgeport PD in our area. Patrols are not used during the summer so if you have an issue, contact Dean Larry Wielk at the number listed below.
