What is T25?

T25 is a decentralized cryptocurrency built with simplicity and fairness in mind.

Whether you're new to crypto or a seasoned user, T25 offers an easy way to join the digital economy.

We're about transparency, accessibility, and making sure everyone feels welcome

Why Choose T25?

2.1 Simplicity- No complex processes-T25 is designed to be user-friendly.-
Forget jargon; this token is easy to understand.

2.2 Fairness- Tokens are distributed equally, with no special insider advantages.-
Everything is transparent so you know exactly what's happening.

2.3 Accessibility- Anyone can participate. All you need is curiosity and a wallet

How Does It Work?

*T25 is built on blockchain technology. Here's the deal:- **

***Fixed Supply** : Only 1 billion tokens, no more, no less.-*

***Decentralized** : No single entity controls T25.-*

***Open Ledger** : All transactions are visible to the public for full
transparency*
