Davidson County Transitional Services

Our Mission: To Help People Reach Individual Success Everyday [R.I.S.E.] through consulting, educational, and referral services by connecting them to a collaborative support network in times of transition.

Our Vision: To inspire change that promotes empowerment, self-sufficiency, and educational awareness that helps reduce destructive behavior patterns.

Core Values:

**Innovative- Driven-
Respect- Transparency- Safety-
Commitment**

Since its inception, DCTS's core values have remained firm. We will always use an innovative approach to problem-solving. Humanity drives DCTS to strive for positive outcomes. We promise to create a cultural environment where clients are treated with respect and dignity. We promise to be transparent and honest with those we interact with. We are committed to providing alternate choices, educational opportunities, advocacy, and safety. No matter how innovative or theoretically sound programs or services may be, success will be minimal if not implemented in an atmosphere where safety and privacy are the foremost concerns. We believe that a safe environment is a key to successfully assisting clients in navigating their path to absolute independence.
