

CAREERS

Coaching Corner

From advocating for fair compensation to navigating workplace challenges, leadership opportunities, and increasingly complex laboratory technology, Patty Eschliman addresses questions from laboratory professionals in Coaching Corner. Get practical advice on professional growth, leadership, accountability, and advocating for the value of the laboratory profession.

Patty J. Eschliman, MHA, MLS(ASCP)CM, DLMCM, CPC

ADD US ON GOOGLE

There is a lot of history around both the nursing and the lab profession that informs us why there are pay differences. First, nursing is so much more consolidated and understood than lab. If you are a nurse, while there are several educational degrees that make you so, you are a nurse. What are we? We are MTs. MLSSs. CLSSs. MLTs. CLTs. etc. ASCP is doing their best to consolidate all
