A MESSAGE FROM THE PRESIDENT

Greetings Sisters!

I hope that you had a great October! November is here and cliched or not, this time of year leaves us reflecting and expressing thanks. I have many reasons to be thankful; from being a part of a loving family, a part of a successful school, to being a part of a beautiful sorority chapter. But I am most thankful for having the opportunity to believe in and serve our mighty Lord, Jesus the Christ. Without Him, nothing is possible.

During the month of November, we are celebrating our Veterans who have served and are serving our country. The love and respect that veterans have for our country is the heartbeat of America. Also, we will be hosting one of our National Programs, American Education Week, which highlights schools, and individuals who are exemplary in our educational society. This newsletter will keep you informed on all of the upcoming exciting events that are to come for this month.

So as we get ready to enjoy ourselves for Thanksgiving this year in a couple of weeks, let us reflect as sisters, on what our chapter can be thankful for. Epsilon Sigma has a lot to be thankful for: the opportunities to be a service to our communities, the love of Sisterhood that binds us together!

Onward and upward,

Madeline Crawford
