President's Message

Hello Sorors!!

Every day is a day of Thanksgiving and this year we have lots to be thankful for. First and foremost, I thank God for His grace and mercy that brought us through so much. This Thanksgiving, reflect on your many blessings and Thank Him for them!

I'm thankful also that Beta Psi had another successful month! We met our financial obligations, recognized American Education Week, participated in the Essay Contest, and hosted our first fundraiser. American Education Week was awesome thanks to Brookshire's on Kings Hwy for donating cases of Washington Red Delicious Apples. We placed wrapped apples in the mailboxes of Staff and Teachers at J. S. Clark Elementary/Middle School to kick off the week. We also collected school supplies and presented them to Linwood Charter School. We had a middle school contestant, Jasmine Myers, for the Essay Contest. A big Beta Psi salute to Jasmine for being our representative. Thank you Soror Myers for chairing the week and soliciting the apple donations. We concluded the month by hosting our first fundraiser at McAlister's which was an enjoyable easy to organize experience. Although our profit was small, I'm a firm believer that every little bit helps. That fundraiser exposed us once again to the community; offered a time to network, fellowship, and enjoy a good meal! Thank you Soror T. Mosley for sharing the fundraising website with me. That's really what makes a sisterhood...Caring and Sharing! She just happens to be my daughter Sorors, although we are individual chapters, we are all a part of the Southwestern Region and share the same goal....to strive to make this Region the BEST in Iotaland! #FINISHSTRONG
