President’s Corner

Beta Delta, I am so excited about your dedicated work during our Business Month activities! We either led or supported 5 events during the month! Through our efforts, students received scholarships, new businesses were presented to the community and women have professional attire to enter the workforce. The highlight of the month was our Entrepreneur Forum where we introduced 4 new or recently opened businesses. We had excellent attendance and participation at all events. Iota roses to Soror Michele Sanders and her Business Month committee for an outstanding job. As we work and play together, we are tightening our bonds of sisterhood and love. We have prayed together and celebrated birthdays and wedding anniversaries this month. Let’s keep the energy level high as we prepare for our May events and our Houston area Joint Founder’s Day. It’s an exciting time to be a part of Iota’s Beta Delta Chapter! 🌹
