## From the Prez...

Sorors,

Although the summer is upon us, Beta Psi is still hard at work preparing the the 90th National Convention to be held in Shreveport, LA in 2019 and doing what we do best...community service. President Mosley planned, organized and executed a girls' retreat for her church in which FILs Morianna Mosley and Kayla Mosley attended. Beta Psi's Sorority House was used to assembly and store the bags for the girls. The retreat was held at the Scottsville Camp and Conference Center in Marshall, Texas. Over 30 girls attended the retreat. Beta Psi members welcome our National Board as they prepare to visit our great City and Sorority House in July for their Summer Board Meeting.. Their visit is reflected throughout this edition,. You will see the Board taking care of business as well as some of the sights they enjoyed during their visit. They were treated like the royalty they are....from limo to fine dining.

# Welcome to Shreveport Iota National Board!

Beta Psi Sorors Janie Samuels, Willie Myers and President Evelyn Mosley greeted our National Board members at the Holiday Inn Downtown upon their arrival in Shreveport, LA on July 19, 2018. We welcomed our National President and Regional Director with a “survival” basket filled with treats in their rooms. The group later had dinner at the hotel restaurant that night and Soror Samuel and President E. Mosley joined them for lunch on Friday before touring the convention site.

# Welcome to Our Sorority House!

Iota National Board arrived to Beta Psi Sorority House in style. Two limos were their transportation during their stay in Shreveport. Sorors Mack, President E. Mosley, Soror Samuels and Soror Myers pose with SWR Director Loud in front of one of the limos. The Board were excited to visit our house and we made every effort to make them feel at home. Featured below are the Board getting settled and preparing to begin their meeting. Refreshments were provided as well as lunch while for their meeting. After our meeting with the Board, the house belonged to them. We were kicked out!

## National Board Wraps up a long Day with Dinner on the Lake at Port Au Prince Resturant!

Featured above and left are shots of Board members enjoying their meal. President E. Mosley presented each Board member with a green spatula and explained the meaning behind it as when you think all is gone, you have to sometimes scrape to get the job done—upper right. Below are the final fair wells for a long productive day. We thoroughly enjoyed the fellowship with the National Board and look forward to hosting the 2019 National Convention.

## Inspiration

### Prayer For Strength AND COURAGE

Life seems full of stresses Lord  
My busy home, my harried work  
Sometimes I fear for myself  
Torn between one tension and another  
I lose my nerve and feel the need to get away  
Enfold me Lord  
Shield me from the frailty of my spirit  
Protect me from my own powerless will  
Free me from all anxieties and doubts  
Give me the vigor to push on  
And continue with the mission  
You have chosen me to task  
Help me remember Lord  
That You are there beside me  
And if I fall at times  
Be there to carry me.  
Amen.
