## President's Message

### President Jones Speaks...

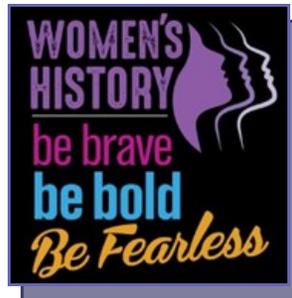

Greetings,  
Through the month of March, the U.S. will celebrate and honor the achievements of women throughout history for Women History Month. Congress declared March as Women's History Month in 1987, according to the National Women's History Alliance.

There is a Presidential Proclamation every to year to announce the month and to honor women who have made a notable impact in History.

The theme for 2020 **honors** "the brave **women** who fought to win suffrage rights for women, and for the **women** who continue to fight for the voting rights of others."

*President Jones Speaks...*

Also we are currently being ruled by a worldwide coronavirus. The entire nation is on a lockdown! Obey the necessary rules and laws and come out victorious in the future.

A coronavirus is a type of common virus that can infect your nose, sinuses, or upper throat. They can spread much like cold viruses. Almost everyone gets a coronavirus infection at least once in their life, most likely as a young child.

Most coronaviruses are not dangerous, but some are. Those that cause Middle East respiratory syndrome (MERS) or severe acute respiratory syndrome (SARS ) can be deadly. And this one COVID-19 is deadly! Take care!

Peace,  
*Carolyn Jones, Alpha Kappa Chapter*
