

Body Language and Facial Expression Song!

Sing along on YouTube!

Body language and facial expression
helps me answer one important question.

Body language and facial expression.

How are you feeling right now?

Are you sad?

Are you tired?

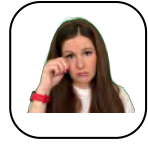

Are you sick, scared, or mad?

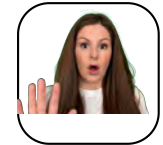

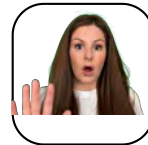

Are you happy?

Are you calm?

Are you singing along?

Body language and facial expression.

Miss Bridget taught me with this little lesson.

Body language and facial expression.

How are you feeling right now?

How are you feeling right now?
