

FANTASTIC ORGANIZER

Refrigerators - Freezers - Prep Tables .com

SOMETIMES COMMON SENSE IS REVOLUTIONARY

Of Course, Increased Profitability Starts With Increased Efficiency,

But what if your operation is already efficient ?

Then a revolutionary advancement becomes essential to increasing profitability for Visionaries:

Food Waste = Lost Profits: [The National Restaurant Association says](#) that between **4-10%** of food purchased by a food service operation is **discarded before reaching the customer.**

Insert Fantastic Organizers In Your Food Service Equipment & Walk-Ins

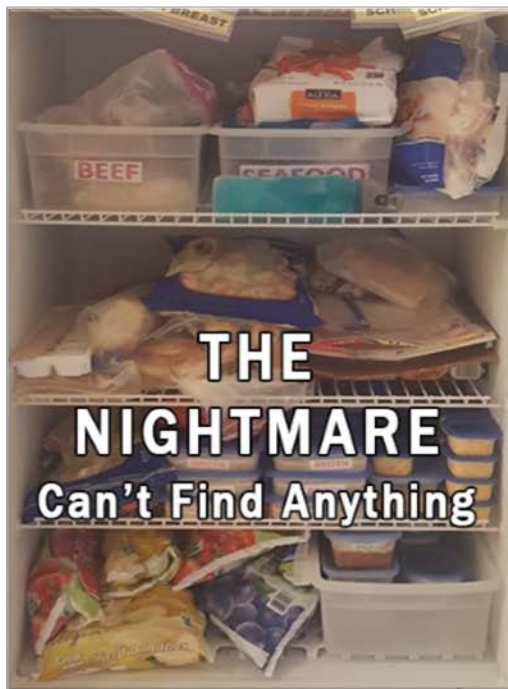

Here's how [FantasticOrganizer.com](#) significantly increases your efficiencies & profits:

FANTASTIC SHELVING – Pullout, Adjustable, Label-Ready, Lightweight, Heavy-Duty, Indestructible, Washable:

1. Double Your Operating Capacity of your freezers, refrigerators and prep tables in the same floor space
2. Double Your Growth without buying more refrigeration and by better use of what you already have
3. TRIPLE Your Net Profit by adding 4-10% from wasted foods to your bottom line by finding items In-A-Flash
4. Increase Your Sales 7%-10% by accurately filling orders In-A-Flash . . . particularly in rush hours
5. SPEED UP YOUR SERVICE fast & efficient labeling of shelves is critical for speeding up service AND SALES

Pre-Prepared Meals – prepare & refrigerate fastest selling items in slow staff time, thus increasing sales & profits.

Today's Specials – prepare & refrigerate specials in advance, thus increasing sales & profits during busier times.
