

Shekhar Foundation

Multi-Speciality 200-Bedded Hospital,
Medical College & Research Center.
Panchal, Rajapur, Maharashtra

Vision Statement

- Shekhar Foundation envisions creating a world-class, 200-bedded Multi-Speciality Hospital Research Center and Medical College at Panchal, Rajapur. Delivering world class healthcare, fostering education, research, and global collaborations in medicine.

Shekhar Hospital and Research Center

Key Features of the Project

- 200-Bedded Multi-Speciality Hospital with state-of-the-art infrastructure
- Super-Speciality Trauma Centre with air ambulance services
- Medical College producing skilled doctors with modern training facilities
- State of the art research center and innovation hub.
- Nursing & Paramedical Colleges to empower allied health professionals
- Faculty & Staff Quarters for top medical talent
- International Research & Collaboration Hub with exchange

Spread across 5 acres

Estimated Project Cost

- ₹600 Crores (INR Six Hundred Crores) – covering infrastructure, medical equipment, residential facilities, academic and research centers.

Why This Project Matters

- Bridging the Healthcare Gap: Rajapur and nearby regions lack advanced medical facilities
- Empowering Local Youth: Nursing and paramedical colleges will generate employment and skills
- Medical Tourism & International Exchange: Attracts patients and research collaborations
- Long-Term Impact: A legacy project transforming healthcare, education, and economy

Donor Recognition & Benefits

- Platinum Sponsor: ₹10 Cr+ (Naming rights to Hospital/Block)
- Gold Sponsor: ₹5 Cr – ₹10 Cr (Equipment, College Sponsorships)
- Silver Sponsor: ₹1 Cr – ₹5 Cr (Scholarships, ICU Beds, Hostels)
- Friend of Health: ₹10 Lakhs – ₹50 Lakhs

Get involved
