Redeem the Land

Awake, US of A, awake to righteousness!

In Jesus' name we come boldly to the throne of grace that we may obtain mercy and find grace for our nation (Heb. 4:16). Our ancestors took possession of this land from ocean to ocean and they subdued whole nations before them. The chiefs of the land were powerless, our ancestors could deal with them as they pleased. They took over the land, the water, the wild life and the produce of the land. So, we have enjoyed ourselves in Your blessings. But when all was going well we turned to sin. Despite all You have done for our nation, we as a nation are disobedient and rebel against You. We have thrown away your law, and we persecute those who encourage us to return to You with gossip, lies and innuendo and we have committed terrible blasphemies against Your Holy name. So, You have handed us over to our enemies and wickedness prevails in our land. In this time of trouble, we cry to You, our Mighty and Faithful Lord, hear us from heaven and in Your great mercy deliverer our nation and rescue our people from the enemies of our soul (Neh. 9:18-26). Blessed be God, who has not turned away our prayer, nor His mercy from our land (Ps. 66:20)!
